## The important stuff

You must complete an online registration form before your child's first session. Should your child require additional support at one of our holiday clubs please contact our office team, 1-1 Support is not offered as standard (please view our SEN policy at the bottom of the home page)

We play outside whatever the weather, therefore please send your child in suitable clothing and footwear. Sun cream and sun hats for warm days and raincoats and warm clothing for the slightly chillier days. We also suggest sending your child with spare labelled clothes that you don't mind getting messy during the arts & craft and any outdoor activities.

Children will take several breaks throughout the day, you will need to provide your child with a packed lunch, snacks and drinks. **Please Note: All of our holiday clubs are Nut-free zones!**

Please ensure all medications are clearly labelled and that you note down full relevant information on your booking form, when and how to take this medication.
